Education

2023-2027

Bachelor of Engineering
Bannari amman institute of technology

II YEAR Electronics and communication engineering in Bannari amman institute of technology.

Experience

SEM I
Yugam event

2024

I participated in yugam digitrix event
analyzed the circuits functionality.

SEM II
RASET PRESENTATION

I participated in a paper presentation event at my college, where I presented a research topic on "Finding Buried Humans Using SONAR." The presentation focused on utilizing SONAR technology to detect humans buried under sand, lakes, or other surfaces, highlighting its potential applications in rescue operations and disaster management.
